PRESS RELEASE

Subject: Endorsing H.E Dr. Teodros Adhanom Candidature

Dr. Teodros Adhnaom is a visionary leader and patriot in promoting quality health service and access. He served as Minister of health Ethiopia and during his tenure laid down a solid ground in promoting the health in a country with the 2nd highest population in the African region.

His strategic approach to: reducing maternal and infant mortality; controlling HIV; TB and Malaria epidemics; addressing road traffic accident and trauma received both government and international attention. His model has been accepted and emulated by many Low and Middle Income Countries.

Dr. Teodros Adhnaom has rich knowledge and experience in global health diplomacy and leadership, which makes him unique and custom made to lead WHO as Director General.

COSECSA strongly supports and commends his candidature. COSECSA has membership in 10 countries i.e. Ethiopia, Kenya, Uganda, Tanzania, Zambia, Zimbabwe, Rwanda, Burundi, Mozambique and Malawi and all the member countries affiliated surgical societies.

COSECSA fraternity strongly endorses Dr. Teodros Adhnaom
