

COLLEGE OF SURGEONS OF EAST, CENTRAL AND SOUTHERN AFRICA (COSECSA)

1 INTRODUCTION

As you are aware, the COSECSA Strategic Plan 2021-2025 focuses on three major goals, namely, 1: Achieve Excellence in Training & Research, and Maintain Best Practice in Examinations and Assessment, 2: Quality in surgical care and 3: Build to Organizational Excellence and Financial Sustainability.

During the Stakeholder Consultations on our Strategic Plan and in line with Goals 1 & 2, the College sought proposals on how COSECSA can support Trainers and Programme Directors who are responsible for carrying out the day-to-day training and implementation of the COSECSA programme at each accredited hospital.

In this regard and in a bid to implement the stakeholders' tremendous feedback/proposals, we sent out a survey to all Programme Directors.
