

THE COLLEGE OF SURGEONS OF EAST, CENTRAL & SOUTHERN AFRICA COSECSA

**PROMOTING EXCELLENCE IN
SURGICAL CARE, TRAINING & RESEARCH**

WELCOME TO COSECSA

The College of Surgeons of East, Central and Southern Africa (COSECSA) is a professional body that fosters postgraduate education in surgery and provides surgical training in the East, Central and Southern Africa region.

COSECSA shapes and leads the training, examination, and accreditation of surgeons in the East, Central and Southern Africa (ECSA) region.

COSECSA MEMBER COUNTRIES

COSECSA REACH

The College currently operates in 14 Sub-Saharan African Countries namely:

Botswana

Burundi

Ethiopia

Kenya

Malawi

Mozambique

Namibia

Rwanda

South Sudan

Sudan

Tanzania

Uganda

Zambia

Zimbabwe

+ 7 Partner Countries

(Cameroon, D.R. Congo, Gabon, Niger, Eswatini, Lesotho, Madagascar, Somaliland)

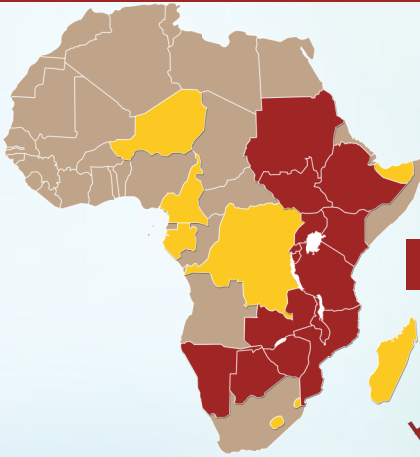

COSECSA MISSION

To increase accessibility of surgical services, especially to African rural populations by standardizing and widening access to surgical training

COSECSA VISION

To be the Reference Surgical Body in the Region of East, Central and Southern Africa and beyond.

HOW TO APPLY

- a) All applicants shall submit applications online at <https://bit.ly/3D3rIZK>. Remember to include **Certified** copies of your transcripts, certificates, and a passport size photograph. Other relevant information can be obtained from; <https://bit.ly/3mew8BE>
- b) A non-refundable Programme Entry fee of USD 500 (United States Dollars five hundred only) for MCS and USD 600 (six hundred dollars) to be paid to COSECSA through any of the following:
- Online Payment System www.cosecsa.org/payment/
 - Direct Bank transfer to COSECSA Arusha-Tanzania Account

Details of (b) above can be obtained from the secretariat upon approval of your application by the Country representative.

NOTE

- Only applicants who attach their academic certificates will be considered for admission.
- Applicants who find difficulties filling the online form can receive help at applications@cosecsa.org

The closing dates for online applications for new intake are as follows:

- ⇒ **MCS 31st October each year.**
- ⇒ **FCS 31st December each year.**

Requirements:

- Applicants are required to contact their respective Country's COSECSA Country Representative (CR) before applying for COSECSA training. For contact details visit: <http://www.cosecsa.org/cosecsa-council>
- Carefully read the appropriate regulations for MCS / FCS and understand them. Applicants must ensure that they meet the requirements laid out, and agree to these regulations.
 - ⇒ For **MCS** Regulations visit <https://bit.ly/37TEFBI>
 - ⇒ For **FCS** Regulations visit: <https://bit.ly/3yWFyp0>
- Applicants must attached the following PDF documents when applying:
 - ⇒ A passport photo & copy of the Birth Certificate/National Identity.
 - ⇒ A scanned image of your medical degree & medical registration certificate. (Certified)
 - ⇒ If applicable, applicants must submit a copy of any surgical qualifications that they have; such as MCS or MMED.
 - ⇒ Your application will not be considered if you do not have/submit the above requirements

Membership of College of Surgeons (MCS)

For those enrolling on MCS please follow the general instructions above

Birth Certificate and Academic certificates must be notarized

Fellowship of College of Surgeons (FCS)

1. For those progressing from MCS to FCS

Applicants for the FCS programmes should be able to show that they have passed the MCS examination not more than 3 years before applying to the FCS Programme.

2. Applicants who possess an MMED in Surgery and would like to register for FCS in the same specialty (Example MMED in General Surgery and want to apply for FCS General Surgery)

Applicants with MMed (Surgery) qualification, may register to sit the FCS exam in the year following their completion of MMed training. On condition that this year is spent in an accredited COSECSA training programme in that specialty.

3. Those who possess the MMED in Surgery and would like to register for training in a different specialty (Example MMED in General Surgery but wants to specialize in Orthopaedics) must register for the full FCS training course.
4. For the FCS Paediatric Orthopaedic Surgery programme, an applicant **MUST** have **FCS Orthopaedics/ MMed-Orthopaedics or equivalent qualifications.**

FUNDING

COSECSA funding mainly comes from annual subscription, programme entry, Annual events & collaborative partners who fund specific projects and scholarships

PLEASE DO NOT HESITATE TO BE KIND TO DONATE TO THE COLLEGE.

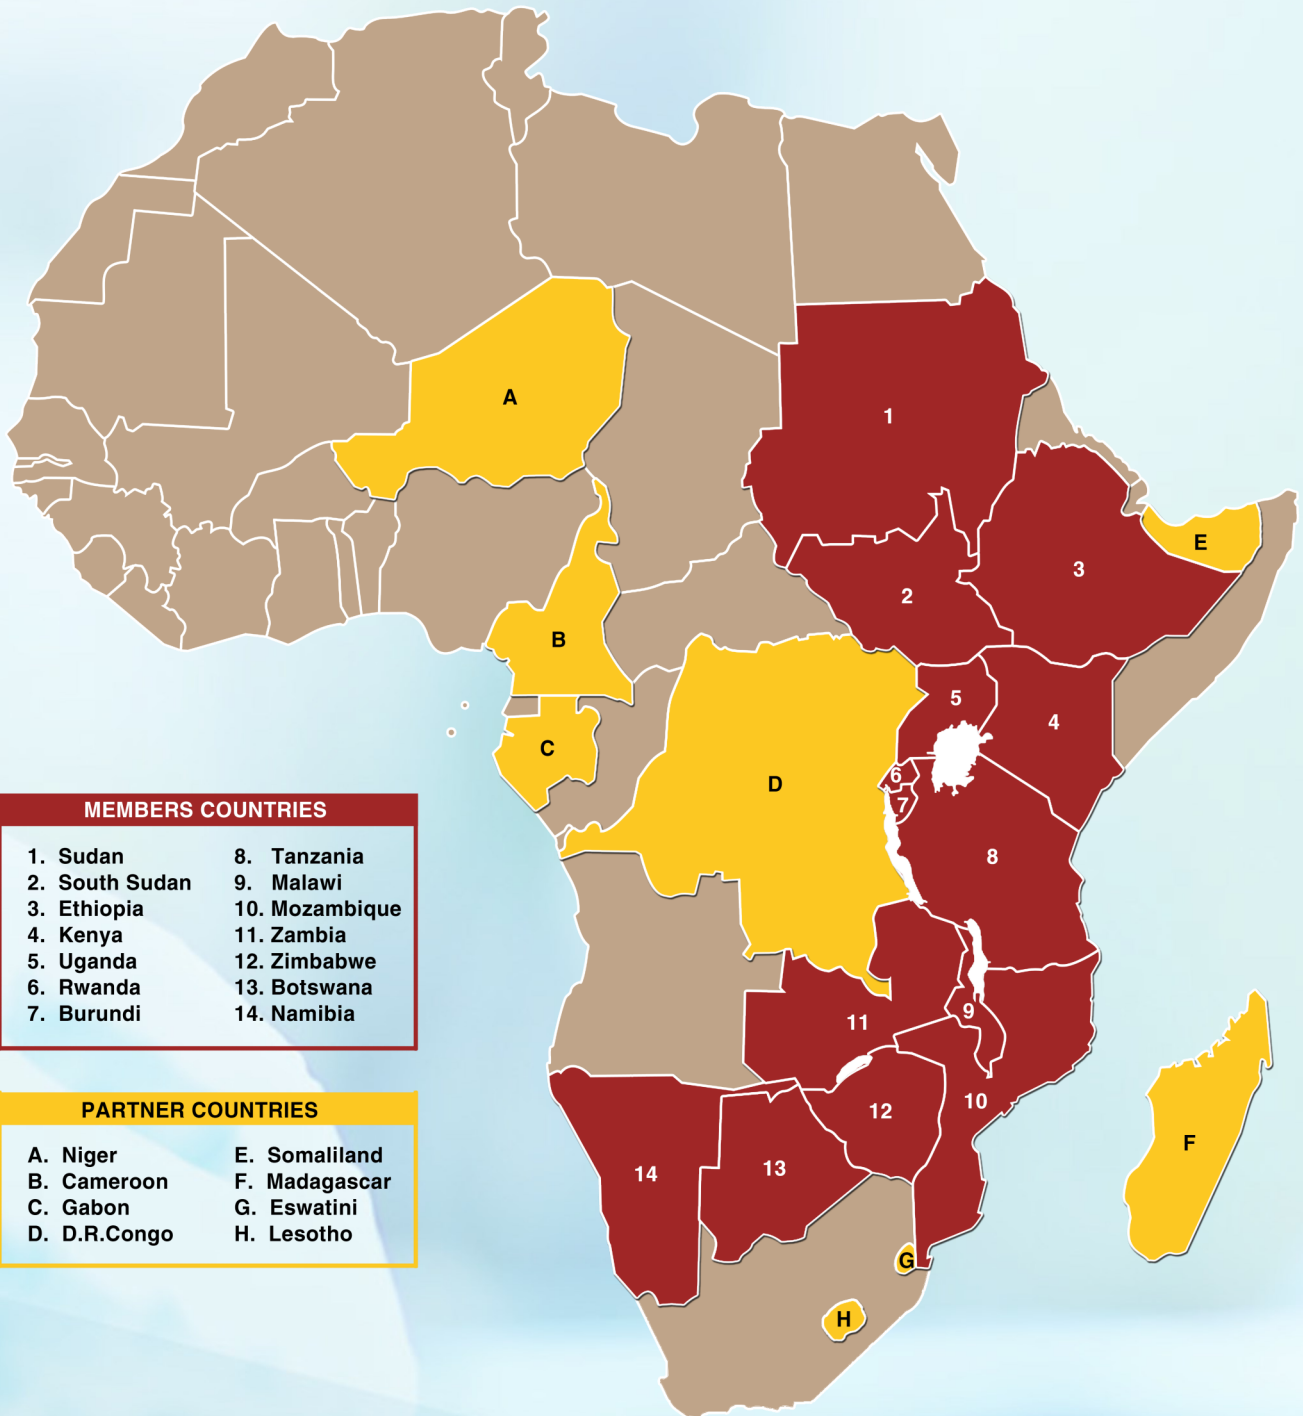

COSECSA accepts donations in whatever amounts. These will go a long way in making a difference in every aspect of the College and we will extremely be grateful to you.

To Donate or pay your dues, visit: www.cosecsa.org/payment/
